

Captain V President Competition

Sun 9th October 2011 at Sale GC.

The match was a better ball format with $\frac{3}{4}$ the difference in handicaps, shots from the lowest player. Some teams were mixed and the handicaps were worked out, as they are in the Mixed League.

The Captain and President were very pleased with the support from the membership and despite the bad weather, everybody enjoyed the day.

There were a total of thirteen teams and the results for the day were:-
4 wins for the Captain's team, 4 wins for the President's team & 5 draws.
