

MID WEEK COMPETITIONS.

The Mid week competitions are designed to give all members, but especially the 5/6 day members, the opportunity to play competitive golf and affect their handicaps. All the competitions will be handicap qualifiers.

In past years the competitions have tended to be exclusively medal rounds but this year it has been decided to introduce more Stableford competitions in an attempt to encourage as many members as possible to take part. We also plan to play one or two off the yellow tees at the beginning and end of the season when the ball may not be running too well.

The 5/6 day members are reminded that incorporated within 3 of the mid week medals are competitions open to them exclusively.
